

St. George's Community Closet

The young adults of St. George's are in the process of developing a 'Community Closet,' to provide acute care to those in need. This will be a cabinet containing a few basic clothing, food and toiletry items that anyone in the parish is welcome to access & provide care both quickly and discreetly. We have purchased a cabinet and now are in the process of gathering these much-needed items to stock our closet. A sign-up sheet is available in the cloister for items on our wish list. To manage donation volume, please only bring in items on the wish list. If you have any questions about this Community Closet initiative, please speak to Hannah Keller directly, or by emailing hannah.km.keller@gmail.com.

St. George's Community Closet
